Paper squishy: Pumpkin bun

Free printable · US Letter · print at 100% (actual size)

The October drop from Daily Squish, as a paper model. Eight orange petals fold into the ribbed dome; roll the stem and glue it on top. About 3 in (7.6 cm) across and 1 in (2.6 cm) tall when folded.

STEM: roll into a tube, glue the tab, then glue it on top.

1 inch at 100% print

1. Print
On card stock or heavy paper, at actual size.

2. Cut
Along the solid lines only, around the petals and tabs.

3. Fold
Fold along every dashed line: petals up at the base, tabs under.

4. Glue
Glue each tab under the next petal's edge, working around.

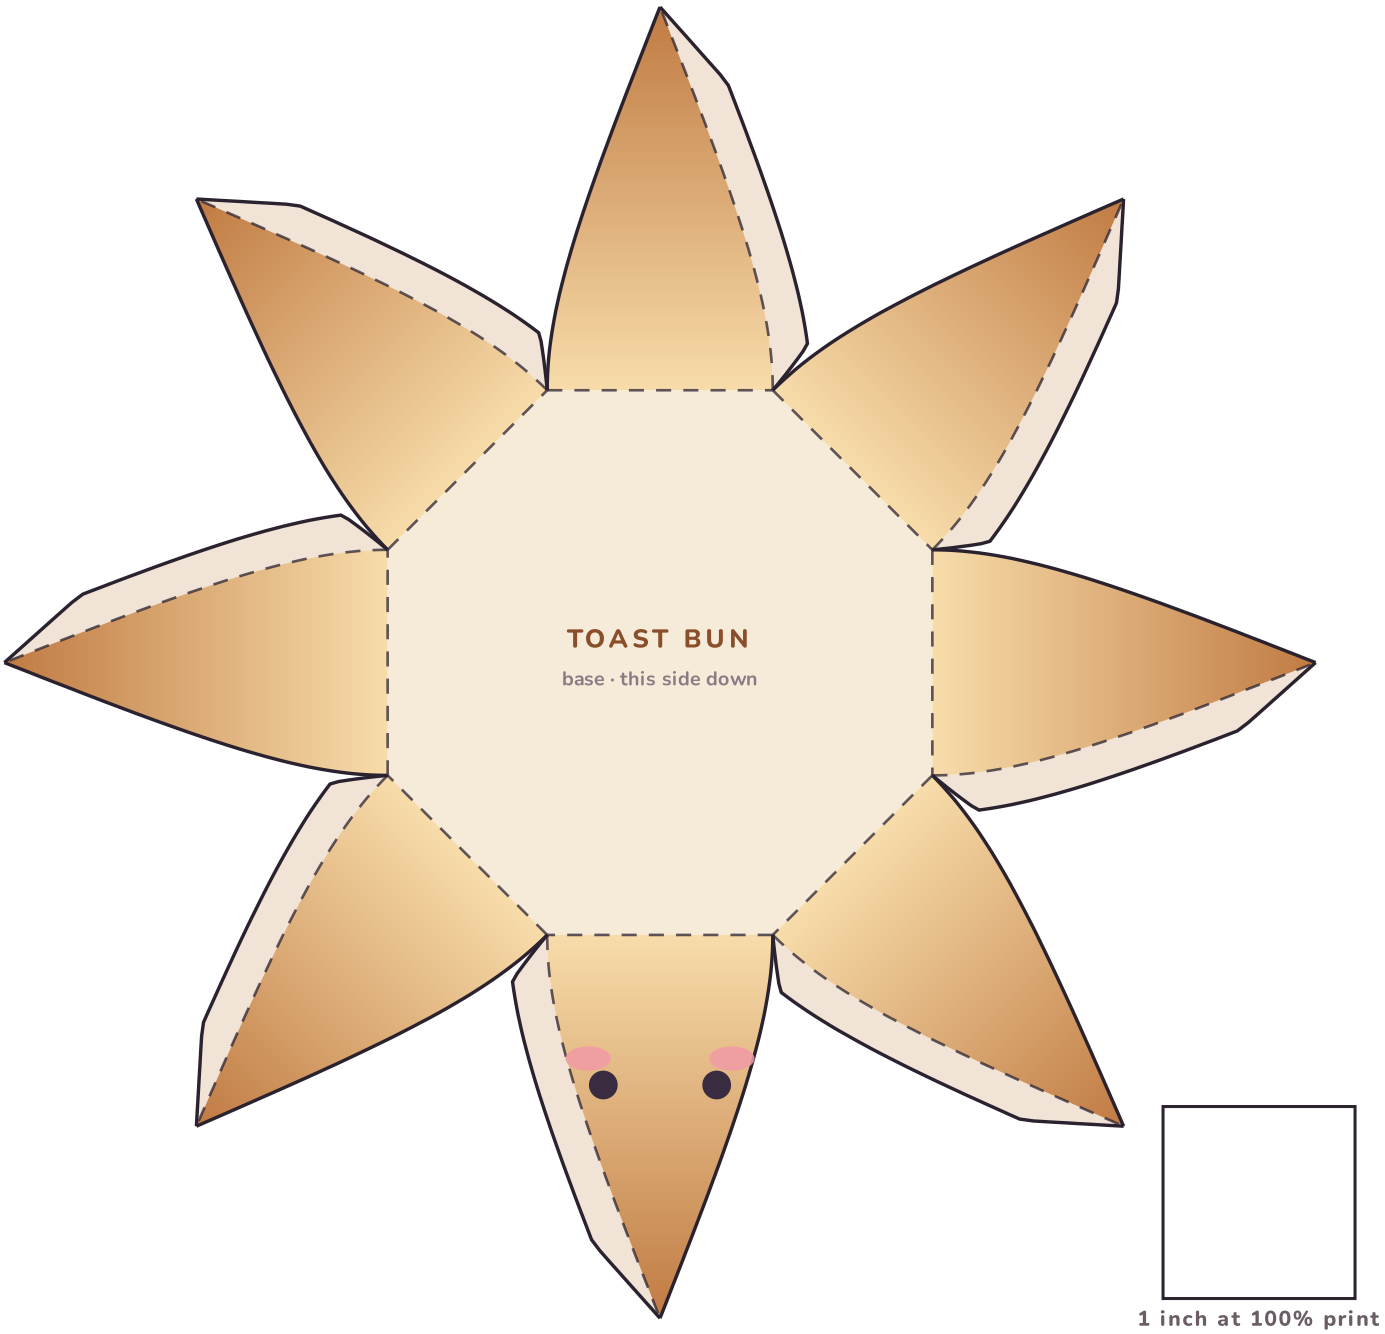

5. Close
Press the tips together at the top and add the stem.

A paper model of a squishy from our squish game (3D simulation). A paper craft, not a squishy product. Free for personal use.

Paper squishy: Toast bun

Free printable · US Letter · print at 100% (actual size)

The classic bun from our squish game, as a paper model. Eight golden petals fold up into a soft dome with a dot-eyed face. About 3 in (7.6 cm) across and 1 in (2.6 cm) tall when folded.

1. Print
On card stock or heavy paper, at actual size.

2. Cut
Along the solid lines only, around the petals and tabs.

3. Fold
Fold along every dashed line: petals up at the base, tabs under.

4. Glue
Glue each tab under the next petal's edge, working around.

5. Close
Press the tips together at the top.
