DAILY SQUISH · FREE PRINTABLE

The Squish Book

Fifteen squishies to find: three shapes, five finishes. Play today's round, then tick the circle when a new one turns up.

How it works. Daily Squish is a free web toy: everyone gets the same shape and finish each day. Some finishes turn up less often. The pumpkin finish only drops in October. Your on-screen book fills in by itself; this sheet is for the fridge or the desk. All art is CG renders of a 3D simulation, not a product photo or a test. Squooshlet.
