FREE PRINTABLE · DAILY SQUISH

Challenge scorecard

A week of Daily Squish with friends on one sheet. Everyone plays the same shape and target, then writes down their best hold.

3D SIMULATION (CG)

1. Play

Open Daily Squish, press, hold and let go when you think the target time is up.

2. Write it

Log your best hold and how far off the target it was. Tap "Challenge a friend" to send yours.

3. Add it up

On Sunday, add up each column of "off" times. The smallest total wins the week.
